From the Desk of the President/CEO:

As we reach the midway point of 2010, GIKV recalls the support and efforts of all those celebrated at the Annual Dinner and *Thanks* employees for their years of service & commitment to the *Power of Work!* During June we marked the FIRST Anniversary of the Operations & Production Facility, the 10th Anniversary Celebration of the Charleston Plant Store, the first full year of GIKV participation with the DELL RECONNECT Program and the kick-off of the 'D' Movement, which encourages responsible recycling and donating in all areas of living.

Shop, Donate, Share and Celebrate the belief in people with Goodwill this season and always!
